SUBJECT: Student Intern Program

We have signed a student intern agreement with Brigham Young University – Hawaii Campus. For those of you who employ student interns, this is one more option that is now available in addition to the U.H., Chaminade, and HPU. The agreement and procedures with BYU are the same as with the other universities.

The contact at BYU is Jan Ava, Placement Coordinator, Student Development Center. She can be reached at 293-3525.
