

# Island Flex:

## Important Announcement

## Open Enrollment | March 10 - April 30, 2014

### WHY JOIN ISLAND FLEX?

The *Island Flex* flexible spending accounts (FSA) plan is a great way to stretch your benefit dollars! It allows you to use before-tax dollars to reimburse yourself for eligible out-of-pocket medical and dependent care expenses, which decreases your taxable income and increases your spendable income.

### NEW FOR UPCOMING 2014 PLAN YEAR!

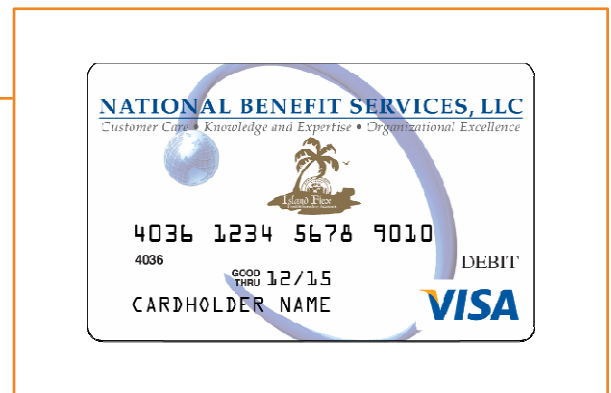

*Use-it or Roll-Over \$500.*

The new FSA ruling by the U.S. Treasury now allows you to rollover up to \$500 of unused amounts remaining in your medical FSA plan to the following plan year. This reduces your risk of losing your FSA healthcare contributions at the end of the plan year and eliminates the mad scramble to spend remaining FSA funds.

### SIGN UP FOR THE ISLAND FLEX DEBIT CARD:

**Cash-flow friendly** – FSAs are directly debited for eligible medical expenses, eliminating “out-of-pocket” cash payments and the wait for reimbursement.

**Convenient and easy to use** – no more filing of claims forms!

### PRIZE DRAWINGS -

You could win a \$15 VISA gift card simply by attending one of the *Island Flex* workshops! A random drawing will be held at each workshop. You must be present to win. AND...by just enrolling in the *Island Flex* plan, your name will be entered into a random drawing to win an Apple iPad. The drawing will take place at the close of open enrollment, when two *Island Flex* participants will be named the lucky winners!

Attend one of the *Island Flex* workshops during the Open Enrollment period, March 10 – April 30, 2014 (see reverse side for workshop schedule).

**If you are currently participating in *Island Flex*, your enrollment will end on June 30, 2014. To continue, you must re-enroll during open enrollment.**

Note: The Governor has approved state employees' use of up to 1 ½ hours of work time (this includes travel time) to attend an *Island Flex* workshop. Sessions are approximately 45 minutes to 1 hour long.

# Island Flex Workshop Schedule
