HUMAN RESOURCES MANAGEMENT SYSTEM (HRMS) REGISTRATION PROCEDURES for HUMAN RESOURCES DEVELOPMENT (HRD) CONDUCTED CLASSES

(as identified in the Training Catalog next to cost column)

Note: These procedures are for the Departmental Personnel Offices (DPOs) only.

REGISTRATION

Enrollment is subject to space availability and employee names should be entered by departmental priority. Registration will close when the maximum number of participants for that session has been reached or 15 working days prior to the start date of class, or whichever comes first.

DRESS CODE

Employees must come to class dressed appropriately for a state work environment, e.g., no shorts, zoris-style slippers, tank tops, etc.

ENROLLMENT

Employees shall be enrolled directly into HRMS by their departmental personnel offices (DPOs), using the appropriate HRMS course and session codes as indicated. The DPOs are thereafter responsible for notifying departmental employees of their **confirmation to attend or status of enrollment**, class start time, and class location **before** coming to class. All employees should be reminded that they have not been officially confirmed to attend class until they have received departmental verification.

ATTENDANCE

Attendance on the first day of a class is mandatory. Should an employee miss the **first day** of a *multi-part course*, he or she will be dropped from the course, and their department will be charged for any registration fee costs. Employee cancellation notices must be received by HRD's Learning and Development Office **within** the stated grace periods (see "CANCELLATION") to avoid being assessed the fee.

CANCELLATION

Departments will not be charged any class registration fee if notice of an employee's cancellation is received by HRD's Learning and Development Office no later than 5 working days **prior** to the start date of class. Class registration fees are non-refundable (except for proper cancellations), non-transferable, and cannot be credited towards future classes.

PAYMENT

DPOs will be sent invoices for each class that has a fee. Payment to HRD can be made by Journal Voucher or check. The HRD account code number is **805-S- [insert current fiscal year] -310-P-1368-0600**. DPOs will be notified regarding collection of any overdue payments.

SUBSTITUTION

Any substitution of a student once he/she has been confirmed to attend, must be done by either phone or fax to the appropriate HRD training office:

- **Drug and Alcohol, Violence in the Workplace, and ErgoSafe classes** – Safety Office, ph. 587-1060 or fax number 587-1322
- **Other HRD conducted classes** – Learning and Development Office, ph. 587-1050 or fax number 587-1107
- **Equal Employment Opportunity (EEO) related classes** – Equal Employment Opportunity Office, ph. 587-1162
- The substitution notice should include the name of the employee being dropped, the name of the substitute, and the reason for the change.
- In the case of a *multi-day course*, the substitute is expected to attend **all** sessions of the multi-day course.

PARKING

HRD does **not** provide or arrange for parking for training classes. Employees should contact their DPOs to inquire about any parking options, e.g., parking permits, available locations, etc.

NEED FOR AUXILIARY AIDS AND SERVICES REQUESTS

If your department needs any auxiliary aids or services for employees attending classes, please inform the Learning and Development Office at least 15 working days prior to the start date of class.

COMMUNITY COLLEGE (VENDOR) REGISTRATION PROCEDURES

Note: These procedures are for the Departmental Personnel Offices (DPOs) only.

Employees must register for classes through their DPOs.

REGISTRATION

Submit an approved (signed) Human Resources Development Registration (HRD) Form 410 to the community college training vendor identified in the course fee column of the Training Catalog, e.g., "\$95.00-**HaCC**" - (Hawaii Community College). Refer to the "VENDOR CONTACT LIST FOR REGISTRATION & PAYMENTS", should you need vendor contact information

All HRD Form 410 should have the following information:

- Employee's name (Last, First, M.I.)
- Employee's E-mail Address, Division and Contact Phone Number (vendor needs this for contact and follow-up)
- Employee signature, allowing release of attendance information
- Designated P-card Holder's name (for processing of course payment)

DRESS CODE

Employees must come to class dressed appropriately in work appropriate attire, e.g., no shorts, zoris-style slippers, tank tops, etc.

PAYMENT

Payment to the vendors is primarily through the state purchase card (P-card) and done at the time of course registration. The vendor will contact the P-card holder listed on the HRD Form 410 in order to obtain payment information.

Departments must have the following information in order to process payments:

- Selected method of Payment – by State Purchase Card (P-card), check, or purchase order - Note: if payment method is by other than P-card, then check with the vendor for further payment instructions
- P-card Holder's Name as shown on the P-card
- P-card Holder's e-mail address and contact phone number (required information – needed by vendor for contact/follow-up purposes)
- P-card Holder's Billing Address

Once the P-card Holder has provided the payment information to the vendor, and it has been accepted, then the employee is considered registered for the class. The vendor will send a notice verifying employee's registration status to either the P-card Holder, designated department contact, or the employee.

CANCELLATION

The vendor will accept cancellations no later than 5 working days **prior** to the start date of class. Employee cancellations received less than 5 working days prior to the start date of class will be charged the full registration fee for the class. The vendor will notify the department contact person (i.e., the P-card Holder unless otherwise specified) when a class is cancelled or if there are any class changes.

SUBSTITUTION

Substitutions may be allowed, depending on each vendor's policy. Departments are instructed to contact the vendor in question (See "VENDOR CONTACT LIST FOR REGISTRATION & PAYMENTS") and ask about their policy regarding substitutions. Any substitute who is approved as a replacement student is expected to attend all sessions of the course.

PARKING

Parking arrangements, if available, will be handled through each vendor.

NEED FOR AUXILIARY AIDS AND SERVICES REQUESTS

Departments must indicate the need for auxiliary aids and services requests on the HRD Form 410 that is sent to the vendor.

ONLINE COURSE REGISTRATION

COMMUNITY COLLEGE (VENDOR) PROCEDURES

**Note: These procedures are for the Departmental Personnel Offices (DPOs) only.
Employees must register for classes through their DPOs.**

REGISTRATION

Submit an officially approved (signed) Human Resources Development Registration (HRD) Form 410 to the online course provider/vendor. To identify the provider/vendor for a course, go to the course fee column of the Training Catalog to see the coded vendor, e.g., "\$160-**WCC**" (Windward Community College). You may refer to the "VENDOR CONTACT LIST FOR REGISTRATION & PAYMENTS", for online vendor contact information.

All HRD Form 410 should have the following information:

- ◆ Employee's name (Last, First, M.I.)
- ◆ Employee signature, allowing release of attendance information (**mandatory**)
- ◆ Employee's E-mail Address, Division and Contact Phone Number (vendor needs this for contact/follow-up)

Employees should allow enough time for departments to process and approve requests to attend online training. Unlike instructor led classes, online courses are **self-directed** and **self-paced** and therefore, employees should plan their state work schedules to allow for enough time to attend and complete their online training course during work hours.

ONLINE TRAINING PROCEDURES

- Employees will be sent an URL address link to access the online training course
- All online training must be during employee's official state work schedule
- Employees must use state owned computer equipment (either their individual work stations or departmental stations) for online training
- Employees must have a valid state email address (either their own or department issued alternate address) in order to access the URL address link
- Employees will have 1 business week (beginning Monday to the end of the Friday workday) to complete their course
- Training period (1 business week) **cannot** contain a State Holiday within the week
- Employees may determine the pace, length, and frequency of their training participation
- Employees must notify their departmental personnel offices if they are unable to start their training for any reason – *No substitution of employees will be allowed*
- Departments are responsible to contact the vendor to get a new URL access link for employees who are unable to initiate their online training course as scheduled

PAYMENT PROCEDURES

Payment to the vendors is primarily through the state purchase card (P-card) and done at the time of course registration. The vendor will contact the P-card holder listed on the HRD Form 410 in order to obtain payment information.

Departments must have the following information in order to process payments:

- ◆ Selected method of Payment – by State Purchase Card (P-card), check, or purchase order - **Note: if payment method is by other than P-card - check with the vendor for further payment instructions**
- ◆ P-card Holder's Name as shown on the P-card
- ◆ P-card Holder's e-mail address and contact phone number (**required information** – needed by vendor for contact/follow-up purposes)
- ◆ P-card Holder's Billing Address

Once the P-card Holder has provided the payment information to the vendor and it has been processed, the employee is considered registered for the class. The vendor will send an email notice providing the URL address link of the online course to either the P-card Holder, or designated department contact, or the employee, as appropriate.

NEED FOR AUXILIARY AIDS AND SERVICES REQUESTS

Departments must indicate the need for auxiliary aids and services requests on the HRD Form 410 that is sent to the vendor.

STUDENT'S RESPONSIBILITIES

GENERAL INFORMATION

Employees should be on time for classes, prepared with note taking materials, and bring any preparatory materials sent to them for the class. Should there be any change that would affect class attendance, employees must inform their work supervisor of the change.

CONFIRMATION OF ENROLLMENT

All employees registering for classes must receive **confirmation of enrollment** from either their Departmental Personnel Office (DPO), designated department contact or the training vendor, e.g., Kapiolani Community College, University of Hawaii at Manoa Outreach College, etc., **before** coming to class.

Should an employee not receive their confirmation notice or have any questions regarding their registration status, they must contact their DPO for verification of their status before the start of the class.

ATTENDANCE

- Attendance is a requirement for every class
- For multi-part classes, attendance on the first day is mandatory. Should an employee miss the **first day** of a multi-part class, he or she will be dropped from the class and their department will be charged the full fee (if any) for the class. Exceptions would be for any employee cancellation notice received by the Department of Human Resources Development **within** the stated grace periods (see "HUMAN RESOURCES MANAGEMENT SYSTEM (HRMS) REGISTRATION PROCEDURES FOR HUMAN RESOURCES DEVELOPMENT CONDUCTED CLASSES – CANCELLATION", page 7).

CLASS MAKE UPS

If an employee attends the first day of class, and due to an unforeseen emergency, is unable to attend one, or all, of the **subsequent days** (of a multi-part class); they should check with their departmental personnel office on whether it is possible to arrange with the vendor to make up the missed class time at no additional charge, within the next 12 months. All make-up sessions will need to be coordinated and arranged through the departmental personnel office.

If the employee is dropped from a class due to his or her absence on the first day, make ups will **not** be allowed.

DRESS CODE

Employees must come to class dressed appropriately, e.g., no shorts, zoris-style slippers, tank tops, etc.

Please note that environmental conditions for classes may vary depending upon the location. To prepare for this, employees may wish to bring either a sweater or jacket to class or contact the vendor in advance, to inquire about room temperature conditions.

PARKING

HRD does **not** provide or arrange for parking for training classes. Employees should contact their DPO to inquire about any parking options, e.g., parking permits, available locations, etc.

NEED FOR AUXILIARY AIDS AND SERVICES REQUESTS

Employees must notify their DPO as soon as possible if they have any need for auxiliary aids and services requests for a class.

TOASTMASTERS

Looking to develop speaking and leadership skills? Ignite your career? Membership in Toastmasters is one of the greatest investments you can make in yourself. The mission of the State Government's Toastmasters clubs is to provide a mutually supportive and positive learning environment in which every member has the opportunity to develop important communication and leadership skills. It is one of the most cost-effective skill building tools available anywhere. Members complete lessons through a workbook of progressive speeches and obtain constructive feedback from their fellow Toastmasters.

There are no instructors in a Toastmasters meeting. Instead it is the club members easing in the newcomers, as everyone improves their speaking and leadership skills in a no-pressure atmosphere. Positive support and encouragement are key elements in participation. Members meet twice a month on selected days and during the lunch period for state workers (**employees must obtain approval from their supervisor if their lunch period needs to be modified**). There is a modest fee schedule of dues charged in order to join a club. Please check with each Toastmasters contact person for further information.

AS A RESULT OF PARTICIPATING IN TOASTMASTERS, YOU WILL:

- Increase your self-confidence
- Become a better speaker
- Become a better leader
- Communicate more effectively

INTERESTED IN JOINING A TOASTMASTERS CLUB? HERE ARE THE STEPS:

- Step 1:** Visit a Toastmasters club. Each group has a different personality, so you may wish to visit more than one. Your visit is free and you may visit as often as you like.
- Step 2:** After you have visited a club, and when you are ready to join; at the meeting, ask the Vice President of Membership for a Membership Application Form and fill it out.
- Step 3:** Give your application and dues to the Vice President of Membership at the club. Your New Membership Kit should arrive in the mail in about two weeks.
