HUMAN RESOURCES MANAGEMENT SYSTEM (HRMS) REGISTRATION PROCEDURES
for HUMAN RESOURCES DEVELOPMENT (HRD) CONDUCTED CLASSES
(as identified in the Training Catalog next to cost column)
Note: These procedures are for the Departmental Personnel Offices (DPOs) only.

REGISTRATION
Enrollment is subject to space availability and employee names should be listed by departmental priority.
Registration will close 15 working days prior to the start date of class.

DRESS CODE
Employees must come to class dressed appropriately, e.g., no shorts, zoris-style slippers, tank tops, etc.

CONFIRMATION
Confirmation to the DPOs will be made through the HRMS upon close of registration. Notification to the employee of registration status, class start time, and class location is the responsibility of each DPO. Employees who are registered for classes must receive confirmation of enrollment from their DPOs before coming to class. All employees should be reminded that they should not assume confirmation status without this verification.

ATTENDANCE
Attendance on the first day of a class is mandatory. Should an employee miss the first day of a multi-part course, he or she will be dropped from the course, and their department will be charged for any registration fee costs. Employee cancellation notices must be received by HRD’s Learning and Development Office within the stated grace periods (see “CANCELLATION”) to avoid being assessed the fee.

CANCELLATION
Departments will not be charged any class registration fee if notice of an employee’s cancellation is received by HRD’s Learning and Development Office no later than 5 working days prior to the start date of class. Class registration fees are non-refundable (except for proper cancellations), non-transferable, and cannot be credited towards future classes.

PAYMENT
DPOs will be sent invoices for each class that has a fee. Payment to HRD can be made by Journal Voucher or check. The HRD account code number is 805-S-***insert fiscal year***-310-P-1368-0600. DPOs will be notified regarding collection of any overdue payments.

SUBSTITUTION
Any substitution, once confirmation of employee enrollment has been made, must be done by either phone or fax to the following HRD offices:

- For Drug and Alcohol, Violence in the Workplace, and ErgoSafe classes – Safety Office, ph. 587-1060 or fax number 587-1322
- For all other HRD conducted classes – Learning and Development Office, ph. 587-1050 or fax number 587-1107
- The notice should include the name of the employee being dropped, the name of the substitute, and the reason for the change.
- In the case of a multi-day course, the substitute is expected to attend all sessions of the course.

PARKING
HRD does not provide or arrange for parking for training classes. Employees should contact their DPOs to inquire about any parking options, e.g., parking permits, available locations, etc.

NEED FOR AUXILIARY AIDS AND SERVICES REQUESTS
If your department needs any auxiliary aids or services for employees attending classes, please inform the Learning and Development Office at least 15 working days prior to the start date of class.
COMMUNITY COLLEGE (VENDOR) REGISTRATION PROCEDURES

Note: These procedures are for the Departmental Personnel Offices (DPOs) only. Employees must register for classes through their DPOs.

REGISTRATION
Submit an approved (signed) Human Resources Development Registration (HRD) Form 410 to the training vendor identified in the course fee column of the Training Catalog, e.g., "$95.00-HaCC" - (Hawaii Community College). Refer to the "VENDOR CONTACT LIST FOR REGISTRATION & PAYMENTS", page 12 – 13 for contact information.

All HRD Form 410 should have the following information:
- Employee’s name (Last, First, M.I.)
- Employee’s E-mail Address, Division and Contact Phone Number (vendor needs this for contact and follow-up)
- Employee Names in priority order in cases of multiple employee submissions

DRESS CODE
Employees must come to class dressed appropriately, e.g., no shorts, zoris-style slippers, tank tops, etc.

PAYMENT
Payment to the vendors is primarily through the state purchase card (P-card) and done at the time of registration. The vendor will contact the P-card holder listed on the HRD Form 410 in order to obtain payment information. Departments must provide the following information:
- Method of Payment – by State Purchase Card (P-card), check or purchase order - Note: if payment is by other than P-card, then check with the vendor on payment instructions
- P-card Holder’s Name as shown on the P-card
- P-card Holder’s e-mail address and contact phone number (required information – needed by vendor for contact/follow-up purposes)
- P-card Holder’s Billing Address

Once the P-card Holder has provided the payment information to the vendor, and it has been accepted, then the employee is considered registered for the class. The vendor will send a notice verifying employee’s registration status to either the P-card Holder, designated department contact, or the employee.

CANCELLATION
The vendor will accept cancellations no later than 5 working days prior to the start date of class. Employee cancellations received less than 5 working days prior to the start date of class will be charged the full registration fee for the class. The vendor will notify the department contact person (i.e., the P-card Holder unless otherwise specified) when a class is cancelled or if there are any class changes.

SUBSTITUTION
Substitutions may be allowed, depending on each vendor’s policy. Departments are instructed to contact the vendor in question (See “VENDOR CONTACT LIST FOR REGISTRATION & PAYMENTS”, page 12 - 13) and ask about their policy regarding substitutions. Any substitute who is approved as a replacement student is expected to attend all sessions of the course.

PARKING
Parking arrangements, if available, will be handled through each vendor.

NEED FOR AUXILIARY AIDS AND SERVICES REQUESTS
Departments must indicate the need for auxiliary aids and services requests on the HRD Form 410 that is sent to the vendor.
STUDENT’S RESPONSIBILITIES

GENERAL INFORMATION
Employees should be on time for classes, prepared with note taking materials, and bring any preparatory materials sent to them for the class. Should there be any change that would affect class attendance, employees must inform their work supervisor of the change.

CONFIRMATION OF ENROLLMENT
All employees registering for classes must receive confirmation of enrollment from either their Departmental Personnel Office (DPO), designated department contact or the training vendor, e.g., Kapiolani Community College, University of Hawaii at Manoa Outreach College, etc., before coming to class.

Should an employee not receive their confirmation notice or have any questions regarding their registration status, they must contact their DPO for verification of their status before the start of the class.

ATTENDANCE
- Attendance is a requirement for every class
- For multi-part classes, attendance on the first day is mandatory. Should an employee miss the first day of a multi-part class, he or she will be dropped from the class and their department will be charged the full fee (if any) for the class. Exceptions would be for any employee cancellation notice received by the Department of Human Resources Development within the stated grace periods (see “HUMAN RESOURCES MANAGEMENT SYSTEM (HRMS) REGISTRATION PROCEDURES FOR HUMAN RESOURCES DEVELOPMENT CONDUCTED CLASSES – CANCELLATION”, page 7).

CLASS MAKE UPS
If an employee attends the first day of class, and due to an unforeseen emergency, is unable to attend one, or all, of the subsequent days (of a multi-part class); they should check with their departmental personnel office on whether it is possible to arrange with the vendor to make up the missed class time at no additional charge, within the next 12 months. All make-up sessions will need to be coordinated and arranged through the departmental personnel office.

If the employee is dropped from a class due to his or her absence on the first day, make ups will not be allowed.

DRESS CODE
Employees must come to class dressed appropriately, e.g., no shorts, zoris-style slippers, tank tops, etc.

Please note that environmental conditions for classes may vary depending upon the location. To prepare for this, employees may wish to bring either a sweater or jacket to class or contact the vendor in advance, to inquire about room temperature conditions.

PARKING
HRD does not provide or arrange for parking for training classes. Employees should contact their DPO to inquire about any parking options, e.g., parking permits, available locations, etc.

NEED FOR AUXILIARY AIDS AND SERVICES REQUESTS
Employees must notify their DPO as soon as possible if they have any need for auxiliary aids and services requests for a class.

DiSC: EXPLORING BEHAVIORAL STYLES
How many times has someone misread your tone, your mood, or your approach? Was there a small change that you could have made that would have prevented all the confusion? Too often, that insight comes a little too late. This course is designed to help participants grasp that insight before misunderstandings occur, not after. The DiSC model helps people understand some of the most important aspects of human perception and interaction. Participants learn the characteristics of each DiSC style and understand their own unique preferences. Most importantly, they recognize how behavior is likely to be misread and learn how to adjust their communication to meet the needs and styles of those around them. This course includes a personal full DiSC assessment and is a prerequisite to all DiSC courses. (1 meeting)

KAPIOLANI COMMUNITY COLLEGE - ESSENTIAL VERBAL COMMUNICATION SKILLS SERIES
This program is offered through Kapiolani Community College (KCC) and is offered as a series of modules centered on basic communication skills. You may choose to register for the entire Essential Verbal Communication Skills series (3 modules) for a one time discounted fee of $175 or choose to register for any of the modules on an individual basis.

“COMMUNICATION IS THE SECRET TO SUCCESS...PASS IT ON...”
This module explores the process of human communication. In a “back-to-basics” approach, topics will include defining communication, the importance of communication, models of communication, and determining what makes communication “effective”. (1 meeting)
BUS 3009-004  Jan. 30  9:00a – 12:00p  $70-KCC  Oa KCC Mamane 104

“It’s Not What You Say, But How You Say It.”
This module addresses the nonverbal message. Most, if not all, of the meaning we get from a message is determined by body language, vocal characteristics and virtually everything that surrounds the words we use. Taking a sensory approach to understanding nonverbal communication, topics will include visual, vocal, spatial and temporal cues and how we interpret (and are interpreted by) them. (1 meeting)
BUS 3012-003  Feb. 13  9:00a – 12:00p  $70-KCC  Oa KCC Mamane 104

“That’s What I Said, But It’s Not What I Meant.”
This module focuses on verbal communication in terms of words and meaning. We want to say what we mean and mean what we say, but what does that mean? The topics covered will include where meaning comes from, the difference between denotation (dictionary definition of a word) and connotation (emotional overtones associated with a word), the power of language, and using words effectively. (1 meeting)

You may choose to register for the entire 3 module program for a one time discounted fee of $170 or choose to register for any of the modules on an individual basis.

“Handling Conflict: An All-Year Resolution”

CERTIFICATE IN PROJECT MANAGEMENT
(www.outreach.hawaii.edu/PROJECT)
The UH Certificate in Project Management Program, sponsored by the University of Hawaii at Manoa Outreach College (UHMOUT), is designed to provide individuals with an understanding of Project Management basics utilizing the Learn the Project Management Body of Knowledge (PMBOK®) principles. The program offers two levels of instruction:

- **Project Management Fundamentals** is an introduction to the language, methodology, and tools of project management. It provides the foundational basis to help novices learn how to become project team members.
- **Advanced Project Management** further explores the skills needed to successfully lead and manage a project. It provides a closer examination of the role nine knowledge areas play throughout the project management process.

Individuals may choose to take one or both of these levels depending on their needs. Each level consists of three course modules which must be taken sequentially. Individuals who complete all six modules will earn the **UH Certificate in Project Management**.

Note: **The UH Certificate in Project Management is not the same as certification.** For anyone seeking the PMP® (Project Management Professional) credential, but lacking the requisite hours of project management experience, the UH Certification is meant as an intermediate step or alternative. For more information about the PMP® credential process and/or the Project Management Institute (PMI®) certification requirements, visit [www.pmi.org/Certification.aspx](http://www.pmi.org/Certification.aspx). You may also contact Paulette Feeney at 956-2037, or by e-mail at pfeeney@hawaii.edu, for more information about the certificate program, attendance requirements, or questions regarding application of course credits towards PMP® accreditation.

**CHANGE MANAGEMENT: HOW TO DEAL WITH IT**

Managers traditionally have had the task of contributing to the effectiveness of their organization while maintaining high morale. Today, these roles often have to be balanced off with the reality of implementing changes imposed by senior management. Managers who have an understanding of the dynamics of change are better equipped to analyze the factors at play in their own particular circumstances, and to adopt practical strategies to deal with resistance. This one-day workshop will help you deal with change and will give you strategies to bring back to your employees. (1 meeting)

SURVIVAL SKILLS FOR THE NEW TRAINER

Few people choose training and development while they are still in school, and yet there are talented and knowledgeable trainers working in every industry. Some individuals become trainers because they are passionate about sharing their knowledge and about helping people. Others become trainers because their employer asks them to get involved in mentoring, training, or coaching new or existing employees. If you are thinking about becoming a trainer, or have started doing some training already and want to know more about what will help you to become an excellent trainer, this workshop will help. This one-day workshop is designed as an exploration of the essential skills that trainers need to develop and to get you started on the learning process in an interactive and fun environment. You will explore how adults learn and take a step-by-step approach to create training sessions that meet employee needs and you will have the opportunity to practice these skills in a safe environment. Training results are too important to leave to chance. Register today, so you will be prepared when you are asked to stand and deliver. (1 meeting)

FACILITATION SKILLS

It is impossible to be part of an organization today and not attend meetings. Staff meetings, project meetings, planning and coordinating meetings – they all take time. There has been a growing realization that we have to pay attention to the process elements of meetings, if we want them to be effective. With its focus on asking rather than telling, and listening to build consensus, facilitation is the new leadership ideal, the core competency everybody needs. Managers and supervisors are often asked to facilitate rather than instruct, or manage their meetings and training sessions. This workshop has been created to make core facilitation skills better understood and readily available for your organization. It represents materials and ideas that have been tested and refined over twenty years of active facilitation in all types of settings. You will learn how facilitation skills play an important role in learning how to become an effective trainer. (1 meeting)

USING ACTIVITIES TO MAKE TRAINING FUN
Most people have been at a party or some other social occasion where someone has told an inappropriate joke and ruined the mood (at least temporarily). Likewise, we’ve all been somewhere where the class clown is able to lighten the mood and help people have fun. The good news is that humor can help you make your training sessions just as engaging as those fun social occasions. Even better, you don’t need to be the class clown or an award winning comedian to do it. This one-day workshop will help you identify what kind of humor you can bring to the classroom, and how games can help you engage your participants. (1 meeting)

TOASTMASTERS
Looking to develop speaking and leadership skills? Ignite your career? Membership in Toastmasters is one of the greatest investments you can make in yourself. The mission of the State Government’s Toastmasters clubs is to provide a mutually supportive and positive learning environment in which every member has the opportunity to develop important communication and leadership skills. It is one of the most cost-effective skill building tools available anywhere. Members complete lessons through a workbook of progressive speeches and obtain constructive feedback from their fellow Toastmasters.

There are no instructors in a Toastmasters meeting. Instead it is the club members easing in the newcomers, as everyone improves their speaking and leadership skills in a no-pressure atmosphere. Positive support and encouragement are key elements in participation. Members meet twice a month on selected days and during the lunch period for state workers (employees must obtain approval from their supervisor if their lunch period needs to be modified). There is a modest fee schedule of dues charged in order to join a club. Please check with each Toastmasters contact person for further information.

AS A RESULT OF PARTICIPATING IN TOASTMASTERS, YOU WILL:
• Increase your self-confidence
• Become a better speaker
• Become a better leader
• Communicate more effectively

INTERESTED IN JOINING A TOASTMASTERS CLUB? HERE ARE THE STEPS:

Step 1: Visit a Toastmasters club. Each group has a different personality, so you may wish to visit more than one. Your visit is free and you may visit as often as you like.

Step 2: After you have visited a club, and when you are ready to join; at the meeting, ask the Vice President of Membership for a Membership Application Form and fill it out.
