The Island \$avings Plan (aka State Deferred Compensation Plan) is sponsoring a state-wide Virtual Employees' Benefits Fair for State and participating County employees. This Virtual Employees' Benefits Fair will be held in place of the live in-person Fair.

## AT THE FAIR YOU WILL BE ABLE TO:

- Watch a message from the Plan's Board of Trustees Chairperson
- Make an appointment to meet virtually with Prudential Deferred Compensation Plan Counselors
- Review fund information and interact with various fund managers
- Go virtual with Fund representatives for breakout sessions
- Attend live webinars and view workshops on demand
- Explore and learn more about the Plan's tools and resources

#### HOW TO ATTEND THE VIRTUAL FAIR:

On the day of the Fair, go to **www.prudential.com/islandsavings** and click on "Attend the Fair." You can then register, just like you would at the live fair, and enter the virtual floor where you can learn more about all of the important features of the Island \$avings Plan retirement benefits.

#### TECHNOLOGY NEEDED TO ATTEND:

Employees will need a computer and internet access to participate. For the best experience, employees should register using an up-to-date version of Google Chrome (preferred), Safari, or Firefox from a desktop/laptop.

The target-date is the approximate date when investors plan to retire and may begin withdrawing their money. The asset allocation of the target-date funds will become more conservative as the target-date approaches and for five years after the target-date by lessening the equity exposure and increasing the exposure in fixed income type investments. The principal value of an investment in a target-date fund is not guaranteed at any time, including the target-date. There is no guarantee that the fund will provide adequate retirement income.

A target-date fund should not be selected solely based on age or retirement date. Before investing, participants should carefully consider the fund's investment objectives, risks, charges and expenses, as well as their age, anticipated retirement date, risk tolerance, other investments owned, and planned withdrawals.

The stated asset allocation may be subject to change. It is possible to lose money in a target-date fund, including losses near and following retirement. Investments in the Funds are not deposits or obligations of any bank and are not insured or guaranteed by any governmental agency or instrumentality.
